

## EVERYONE DESERVES TO BE COOL®

Keep Working/Service Animals  
Safe and Cool

Our Innovative cooling fans cool where nothing else can. Compact, mobile, quiet and durable - Coupled with our versatile ducting kit, Power Breezer is ideal for animal training areas, kennels, entry control points, rehab cooling for dogs on search and rescue or disaster recovery sites.

Power Breezers helps:

- Reduce risk of heat stroke or exhaustion and dehydration.
- Reduce common behavioral changes such as agitation, whining, barking and other signs of anxiety.
- Keep animals safe, alert, and focused on duties or task at hand.
- Reduce public pressure from animal activists for improved conditions for working animals at bay.

***Be proactive.***

***Don't wait until it is too late.***

### WHY POWER BREEZER MOBILE COOLING DEVICE™?

- ✓ Ensures safety, health benefits and optimal performance in heat for working/service animals.
- ✓ Widely used for years by Federal Agencies, Department of Defense, Law Enforcement and Correctional Institutions Nationwide.
- ✓ Proactively mitigates dangerously hot conditions quickly reducing core temperatures.

# FACTS AND FEATURES
